The 2025 TSPH Clinic Participants Campdraft delivered an outstanding three days of competition, community spirit, and exceptional horsemanship. We are incredibly proud of this year's event and extend our sincere thanks to everyone who contributed to its success.

Acknowledgement of Our Corporate Partners

We express our deepest gratitude to our generous corporate partners. Your financial support, prize contributions, and ongoing commitment continue to elevate the standard of this event each year. Your partnership is instrumental in ensuring a professional, well-supported, and memorable experience for all involved.

Appreciation for Our Cattle Donors

We extend our sincere thanks to our valued cattle donors. The provision of quality stock underpins the fairness, consistency, and overall success of the campdraft. Your contribution forms the foundation upon which this entire event is built, and we are truly grateful for your continued support.

Volunteer Recognition

Our volunteers are the driving force behind the smooth operation of this event, and we cannot thank you enough for the countless hours, energy, and heart you put in. From gate attendants welcoming competitors and ensuring safety, to back-yard crews managing and settling stock with skill and care, every role you filled was essential to the success of the campdraft.

To the food and drink runners keeping everyone nourished, to those who saw a need and stepped in without hesitation—your willingness to go above and beyond makes a real difference. Whether it was early mornings, late nights, or helping in unexpected ways, your dedication, reliability, and positive attitude ensured the event ran seamlessly.

It's your spirit of generosity, teamwork, and commitment that creates the welcoming, inclusive, and professional environment TSPH is known for. Simply put, this event would not be possible without each and every one of you.

Special Acknowledgements

Daniel Johnson – Johnson Transport

We extend our sincere thanks to Daniel Johnson of Johnson Transport for his outstanding service throughout the event. Transporting stock safely and efficiently is no small feat, and Daniel once again delivered with absolute professionalism. His reliability, attention to detail, and calm handling of stock ensure our event begins on solid footing.

Kayleen Southeron – Announcer

A heartfelt thank you to our announcer, Kayleen Southeron, whose voice guided competitors and spectators through every stage of the campdraft. Kayleen's ability to keep the program flowing smoothly, provide clear and timely updates, and bring warmth and personality to the microphone adds enormous value to the event.

Chris News – Camp Gate

Our gratitude extends to Chris News, who set the tone for the entire weekend with his trademark friendliness at the camp gate. Whether offering directions, a reassuring word, or a scratch for the horses, Chris brings an energy that makes every competitor feel supported and at ease. His consistency, positive attitude, and genuine care for both riders and horses make him an invaluable part of the TSPH team.

Back-Yard Crew

We offer a huge thank you to the hardworking men and women in the back yards—an often unseen but absolutely essential team. Your skill in managing stock, maintaining flow, and ensuring the safety and welfare of both livestock and competitors is the backbone of the entire weekend. From early mornings to late finishes, your efforts ensure that each run starts smoothly and efficiently.

Koobah Performance Horses

Our appreciation also goes to Koobah Performance Horses for their exceptional grounds and facilities. Providing a safe, high-quality environment for competitors and spectators alike requires year-round care and attention, and we are incredibly grateful for the standard you maintain.

Judges

We gratefully acknowledge Jim Southeron, Steven Colwell, Neil Faint, Hugh Miles, Ben Maytom, Murray Wilkinson, and Jim Freeman. Their expertise, fairness, and professionalism uphold the integrity of the competition and offer invaluable guidance to riders. We deeply appreciate their time, commitment, and the experience they bring to the sport.

Competitor Appreciation

We extend our heartfelt appreciation to every competitor who took part across the three big days. Your sportsmanship, dedication, and commitment to continual improvement were on full display from the first round to the finals.

The camaraderie in the warm-up, the encouragement between riders, and the professionalism shown in every run truly embody what the Participants Campdraft is all about. Whether you were chasing your first score or refining your skills at the next level, each of you contributed to the supportive, inclusive atmosphere that makes this event so unique.

Thank you for bringing your best, backing one another, and helping us create an environment where riders of all levels feel welcome, respected, and inspired.

Riding in Their Honour

This year, we were proud to include two very special memorial drafts in our program—the Jimmy Webster Memorial Juvenile Campdraft and the Sharon Maloney Memorial Novice Campdraft. These events hold a special place in our hearts, celebrating the lives, passion, and lasting contributions of Jimmy and Sharon to the campdrafting community.

Open to riders who have participated in our clinic program within the last five years, these drafts provided a meaningful opportunity for competitors to challenge themselves, showcase their horsemanship, and embrace the camaraderie and encouragement that Jimmy and Sharon championed throughout their lives.

Through every run, every score, and every moment shared on the grounds, these memorial drafts honour their legacy and the profound impact they had on nurturing and inspiring the next generation of riders.
